**TIS Segment**

Improved revenue was posted for the current quarter and financial year under review as compared to preceding year corresponding quarter and period mainly due to higher progress billings recorded from several civil infrastructure development works. However loss was reported for current year due to start-up expenses incurred on the commencement of some new infrastructure civil works.

**Others Segment**

Higher loss was reported for the financial year under review mainly attributed to the finance costs and outgoing expenses incurred on the three storey office warehouse building.
