NOTES TO INTERIM FINANCIAL REPORT FOR THE THIRD QUARTER ENDED 31 AUGUST 2010: EXPLANATORY NOTES IN COMPLIANCE WITH REPORTING REQUIREMENTS OF FRS 134 – INTERIM FINANCIAL REPORTING

1. Basis of Preparation

The interim financial statements have been prepared in compliance with Financial Reporting Standard ("FRS") 134: Interim Financial Reporting and Paragraph 9.22 of the Bursa Malaysia Securities Berhad ("BMSB") Listing Requirements.

The interim financial statements should be read in conjunction with the audited financial statements of the Group for the last financial year ended 30 November 2009. These explanatory notes attached to the interim financial statements provide an explanation of events and transactions that are significant to an understanding of the changes in the financial position and performance of the Group since the financial year ended 30 November 2009.

1.1 Significant Accounting Policies

The significant accounting policies and methods of computation adopted for the interim financial statements are consistent with those adopted in the financial statements for the financial year ended 30 November 2009, except for the adoption of FRS 8, Operating Segments. The adoption of FRS 8 does not have any significant impact on the results and financial position of the Group except for the changes in the form and content of disclosures presented in the Group's financial statements, as disclosed in Note 8 on Page 6.

2. Audit Qualification

There was no qualification on audit report of the Group's preceding annual financial statements.

3. Seasonal or cyclicality of interim operations

The Group's operations are not effected by seasonal or cyclical factors for the current quarter and financial period under review.

4. Unusual Items

There were no items affecting assets, liabilities, equity, net income, or cash flows that are unusual because of their nature, size or incidence for the current quarter under review.

5. Material Changes in Estimates of Amounts Reported

There were no changes in estimates of amounts reported in the prior financial quarters or changes in estimates of amount reported in prior financial years that have a material effect in the current financial quarter.

(409449-A)

6. Debt and Equity Securities.

There is no issuance, cancellation, repurchase, resale and repayment of debt and equity securities for the current quarter and financial period to date.

7. Dividends Paid

There was no dividend paid during the financial quarter ended 31 August 2010.

8. Segmental Reporting

FRS 8 requires identification and reporting of operating segments based on internal reports that are regularly reviewed by the entity's chief operating decision maker in order to allocate resources to the segment and to assess its performance. The Group presents its segment information based on its business segments, which is also the basis used for management and internal reporting purposes.

Business segments

The Group is organised on a Group wide basis into the following main business segments:-

i)	Information & Communication Technology ("ICT")	Inclusive of Telematics and navigation products & services, telecommunication products, Geographical Information System (GIS) development and research businesses.

NOTES TO INTERIM FINANCIAL REPORT FOR THE THIRD QUARTER ENDED 31 AUGUST 2010: EXPLANATORY NOTES PURSUANT TO APPENDIX 9B OF THE LISTING REQUIREMENTS OF BURSA MALAYSIA SECURITIES BERHAD

1. Review of Performance

The Group reported a turnover and profit before tax of RM17.673 million and RM1.828 million respectively for the current quarter under review as compared to RM19.606 million and RM1.638 million reported in preceding year corresponding quarter. The higher profit for the current quarter under review compared to preceding year corresponding quarter was mainly due to improvement in the Group's operational efficiency and cost control measures.

The Group's turnover for the nine months period ended 31 August 2010 amounted to RM46.098 million, which is approximately 19.4% higher than the preceding year corresponding period of RM38.594 million. The ICT segment contributed approximately 89% of the Group's turnover for the current period. The increase in turnover for the current period was mainly attributable to increase in sales volume of the ICT products. Corresponding to the increase in turnover, the Group recorded a profit before tax of RM3.096 million for the current period as compared to profit before tax of RM2.189 million reported in preceding year corresponding period.

2. Material Changes in the Profit Before Tax for the Quarter Reported on as Compared with the Immediate Preceding Quarter.

The Group reported a profit before tax of RM1.828 million for current quarter as compared to profit before tax of RM870,000/- reported in preceding quarter. The increase in profit reported in this financial quarter were attributable to higher revenue from the sale of ICT products and gain on disposal of investment properties.

3. Prospects for the Current Financial Year

The Group will continue to channel its resources into various research and development activities to improve and expand the ICT products to meet the increasing market demand and to move into new technology-driven businesses that will further strengthen the Group's performance in future. Barring unforeseen circumstances, the Board expects the Groups' results to remain profitable for the remaining financial year ending 30 November 2010.

4. Variances of Actual Profit from Forecast Profit Not applicable.
